Official Publication of Kalamunda Aeronautical Model Society (Inc). **ISSUE: MARCH 2011**

There's no denying the summer we have just experienced was the hottest and windiest in living memory. Not very conducive conditions for aeromodelling and even too hot to be in the shed at times, unless you're Frank Jensen with an airconditioned workshop! Fortunately autumn, the best time of the year has arrived and we look forward to those bright sunny days with light winds and cooler evenings so we can get out and enjoy our hobby.

Speaking of looking forward to things, our annual 'Warbirds Over Mundijong' day is only 5 or so weeks away and we are hoping for good conditions so we can attract more pilots and their models to the biggest event on the KAMS calendar. Certainly the field condition is excellent and can only improve from now on. It is a credit to Ken Heinz who has done a fantastic job with field maintenance particularly the work on the pumps and sprinklers and to the mowing team of Bill Ritchie, Frank Jensen, Ross Duncan & Mike Lowe for the weekly effort in keeping the grass trimmed. Well done gentlemen.

Also note on the club calendar the forthcoming events prior to Warbirds, namely Pylon and Flying Only Scale. I know the Pylon fraternity have struggled to get numbers in recent times, largely due to hot or inclement weather, but now there is no excuse to blow the dust of that Quickie 500 or any sport model and get ready to turn left. Pylon pilots have made great efforts of quietening their engines without reducing too much speed so I recommend any KAMS member who hasn't seen Pylon racing to make the effort and go next Saturday and see this exciting part of our sport. If you are interested in more information on Pylon speak to Mark Giggins who will be at the field next Saturday afternoon March 19th.

For those who love scale, the 'Flying Only Scale' event on Sunday March 20th is the best way to get into competitive scale flying. There's no static judging and you only need to know basic manoeuvres that anyone with Bronze Wings can fly. It's great fun and good discipline for your piloting skills. Bring your ARF scale model and have a try.

Lastly, a great photo of our late friend and member Vic Longbon with his sensational Fiat Cr32 which he took to two World F4C Championships. Note how different the field surface circa 2001 is to today's field.

Until next month, safe flying.

INTENTION TO VOTE ON THE AMENDMENT OF BY-LAW 18(7)

The Committee intends to put forward to the May General Meeting for a vote an Amendment to By-Law 18(7) :

18.(7) A person elected to a specific office on Executive Committee shall not hold that same office longer than 2 years consecutively.

Amended By law to read:

18.(7) A person elected to a specific office on Executive Committee shall not hold that same office longer than 2 years consecutively, unless they are the only applicant for that position in the third and subsequent years and they are also voted in by a majority vote.

Business Arising from Committee Meeting

To remove time limit on tenure of Committee Members, currently 2 consecutive years. Rules allow change of role after two years already.

General Business

Website needs updating again. It is getting a little out of date. The Committee asked to beat up some new pictures and stories from the membership. Also considered a good idea to give a small prize each month for the best photo or story sent in to the Club Secretary at kams1976@gmail.com

Noise – Airborne Magazine has an informative report on how to quiet your mufflers, Brian Winch column refers. Committee to inquire with the magazine about reproducing the last 2 Noise Articles from Airborne Magazine for our Club Magazine/website.

Noise – Greg McLure suggested possible change to noise enforcement rules, such that any loud aircraft be vetted and approved by 3 members of the Committee. To be further discussed at the next Committee Meeting.

Glenn Baldwin quote on Timber Barriers for carpark will be ready for next meeting.

New shade sail expected to arrive next week.

Warbirds is on 17Apr11. Committee to write notice of the event to neighbors prior to event.

Question about No fly Days, if that was all flying cancelled or just I/C. Committee to Investigate.

Meeting Close

There being no further matters, the meeting closed at 21:07hrs.

Committee Business:

Discussion held on amending the 2 year limit on serving on the Executive Committee. By-Law 18.(7) states:

- 18.(7) A person elected to a specific office on Executive Committee shall not hold that same office longer than 2 years consecutively.

Amended Bylaw to read:

- 18.(7) A person elected to a specific office on Executive Committee shall not hold that same office longer than 2 years consecutively, unless they are the only applicant for that position in the third and subsequent years and they are also voted in by a majority vote.

This is to appear in the next 2 slipstreams before being put before the General Meeting for a vote.

Ross Duncan raised concern about sheep getting onto KAMS land. Need to check both Southern and Western fence lines. Committee to investigate fencing concerns. We have had a look at the fences, and all are in good order.

Noise – Greg McLure suggested possible change to noise enforcement rules, such that any loud aircraft be vetted and approved by 3 members of the Committee. To be further discussed at the next Committee Meeting. Considered to be over regulating with no real value to be had.

Question about No fly Days, if that was all flying cancelled or just I/C. Committee to Investigate. Answers are:

- No flying of internal combustion powered or Turbine aircraft will be permitted on the following gazetted Public holidays or religious festivals:

Christmas Day, Boxing Day, New Years Day, Good Friday and Easter Sunday.

Fire Ban Days: Field closed to all activity.

General Business

Treasurer recommended to Committee to increase the Joining Fee for new Members on the scaled method, commencing at Senior level for \$150.00. Committee agreed to put the motion forward at the AGM.

Committee Minutes cont'd

Purchase of a Get Well Soon card for Peter White who is recovering from surgery. Card from the Committee and membership of KAMS. Action Secretary.

HAVE YOU BEEN BITTEN BY THE SCALE BUG?

If you love aeromodelling, you must have dreamt of flying a scale aircraft at some time.

Or do you fly scale already and want to become more involved in this area of our hobby?

The Scale Society needs AWA members from all clubs to carry on the tradition of scale modelling and flying. And you don't have to be a scratch building genius to be part of it.

If your passion is golden era, warbirds or civilian aircraft we would love you to become part of the scale society. There's no fee to join or tasks to fill, simply become involved during the many scale rally's held at clubs throughout the year.

There are only a few competitions and ARF's can be flown at most of them. Flying scale aircraft is not difficult and very rewarding and you'll find the scale fraternity are a great bunch of people who love welcoming new flyers.

The next scale events are:

FLYING ONLY SCALE

Sunday March 20th @ KAMS

Commencing 1pm

WARBIRDS OVER MUNDIJONG

Sunday April 17th @ KAMS

Flying commences 10am
