Frank Jensen - A well deserved KAMS Life Member

A few years ago when I was producing Slipstream for the first time we ran a series of 'My Life in Aeromodelling' stories. We learnt of the life and times of many KAMS members including Garry Turna, Ken Wansbrough, Neil Giggins, Richard Bloor and the late Vic Longbon to name a few. Many of the contributions had to be run over many pages in a couple of issues so we could read of each members modelling experiences. They made interesting reading. This list also included Frank Jensen. Franks story covered less than a full page. Now this is no reflection on Frank, he just didn't want to make a fuss about himself in print, it's just indicative of the man. His unassuming nature and wicked sense of humour largely goes unnoticed by many of us, yet it's arguable there aren't many KAMS members more experienced or more in love with

aeromodelling and his club than Frank. It would take most of this edition to list the contributions he has made to KAMS over our existence. All we can say is well done Mr Jensen on your Life Membership, a reward richly deserved.

Frank Jensen (l) with Alan Longbon

Many of you may be aware the 2012 National Championships are to be held in Perth next year. A number of events will be held at KAMS next Easter including three Scale events. Here's the logo for the "Nats".

HAVE YOU BEEN BITTEN BY THE SCALE BUG?

*If you love aeromodelling, you must have dreamt of flying a scale aircraft at some time.
Or do you fly scale already and want to become more involved in this area of our hobby?*

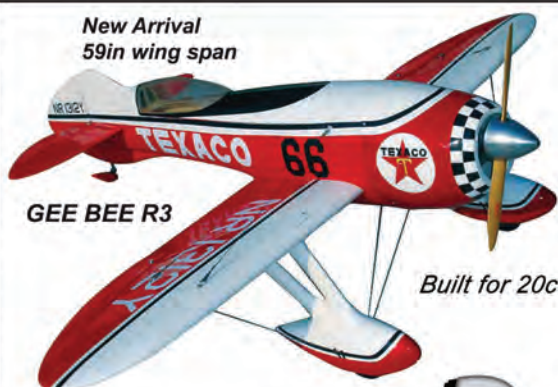

The Scale Society needs AWA members from all clubs to carry on the tradition of scale modelling and flying. And you don't have to be a scratch building genius to be part of it. If your passion is golden era, warbirds or civilian aircraft we would love you to become part of the scale society. There's no fee to join or tasks to fill, simply become involved during the many scale rally's held at clubs throughout the year.

There are only a few competitions and ARF's can be flown at most of them. Flying scale aircraft is not difficult and very rewarding and you'll find the scale fraternity are a great bunch of people who love welcoming new flyers.

To all Club Treasurers

Dear Club Treasurer

Fees for 2011/2012

There has been no change to the fees that were in operation last year.
The fees for registering members with the AWA for 2011/2012 are as follows:

	AWA	MAAA	Total
Senior	\$40.00	\$60.00	\$100.00
Junior	\$10.00	\$30.00	\$40.00
Pensioner	\$30.00	\$60.00	\$90.00

Juniors

Make sure that you include the birth date of any members you are claiming to be juniors. A junior is anyone born on or after January 1st 1993.

Pensioners

Also please include the pension number if possible of any new pensioner member. For AWA purposes a pensioner is a person who has a social security pension and a full medical benefit card. The MAAA has removed the pensioner category from its membership types. This means that members that were considered pensioners will now be considered to be senior members. In practical terms this means that on the MAAA card members that were considered pensioner will now be marked as senior. There is no difference in the fees charges because there has been no difference between the MAAA pensioner fee and the MAAA senior fee. AWA will continue to have the pensioner category with a different AWA fee for them. Some pensioner members may notice the difference on the MAAA card and query this.

Insurance coverage

MAAA Insurance coverage will cease for 2011/2012 members on June 30th 2011. Coverage will start again once they rejoin an AWA affiliated club. To document the point at which insurance coverage starts you should issue a properly dated receipt (we recommend that you also include the time of day) which is the only documentary evidence of coverage members have until they receive their MAAA card.

MR1 Forms

It is not necessary to use the official MR1 form. However the information you supply should be complete and in the same order as the official form. Computer printouts are perfectly acceptable. If you wish to Email membership forms please use the email address treasurer@aeromodellerswa.info.

Club Membership Fee

Clubs must also join the AWA and pay a membership fee of \$40.00. Please use the attached form or the form available on the AWA website at <http://www.aeromodellerswa.info/forms/membershipregistration.pdf> The form still requires six members to be identified but it is not necessary to pay their fees at this time, only the \$40 club membership fee. Ideally clubs should join the AWA before the start of the next membership year.

Please don't hesitate to call 0404 634 366 or email treasurer@aeromodellerswa.info if you have any questions.
