Special interest groups are currently allocated 2 Saturdays per month from 1.00 to 4pm. Saturday is know very busy compared to when these rules were put in place. The pylon group indicated they may be willing to move there sig days to Sundays which would remove some of the congestion on Saturdays

Motion by Eric Gooch to change By Laws (Rule 7)

Two Saturdays or Sundays afternoons from 1.00pm each month may be allocated for competitions associated with SIGS.

This was not voted on but will be submitted for publication in the slipstream and then voted on at the October Meeting.

- Ross Duncan suggested it is getting very awkward to get the quad bike out of the shed without the necessary help at the field. The mower is the main concern when moving. The committee is to look into this problem.
- Glen Baldwin informed the meeting Pylon would run this month on Sat 22 Sept 2012.
- Subsequently the Pylon scheduled for Sat 20th Oct has now been moved to the Sun 21st Oct 2012 as a trial event.

HAVE YOU BEEN BITTEN BY THE SCALE BUG?

If you love aeromodelling, you must have dreamt of flying a scale aircraft at some time. Or do you fly scale already and want to become more involved in this area of our hobby?

The Scale Society needs AWA members from all clubs to carry on the tradition of scale modelling and flying. And you don't have to be a scratch building genius to be part of it. If your passion is golden era, warbirds or civilian aircraft we would love you to become part of the scale society. There's no fee to join or tasks to fill, simply become involved during the many scale rally's held at clubs throughout the year.

There are only a few competitions and ARF's can be flown at most of them. Flying scale aircraft is not difficult and very rewarding and you'll find the scale fraternity are a great bunch of people who love welcoming new flyers.
