Field Managers Report:

- The field was able to be mown a couple of weeks ago despite the soggy conditions. The holes in the driveway near the entrance gate have been filled. A reminder was given for all members to please adhere to the speed limit on the driveway to prevent further degradation of the driveway surface.

Safety Officers report:

- There have been a couple of minor infractions but on the whole everyone is being seen to be doing the right thing.

Committee Business:

- Formal responses have been sent to all members that responded to Nigel Molyneux's email requesting that Glider SIG members lodge written submissions to the KAMS Committee regarding the proposal to amalgamate all SIG ½ day events into full day events

General Business:

- As the Club President and the Club Treasurer are both absent from this General meeting, it has been requested that all discussion regarding the allocation of SIG days be held over until the October General Meeting. It should be remembered that the calendar does not commence until January 2014 so there is still plenty of time to allocate days as required.
- Ken Heinz and Neil Giggins are going to Roy Rennie's funeral
- Roy Farren passed away recently
- Glen Baldwin has advised that the pylon event scheduled for this Sunday 22nd September has been cancelled due to poor field conditions. An email will be sent to the memberships advising of this cancellation
