Canteen

Calling all \$2.00 coins.

The canteen tries to make this easy for members.

- Chocolates \$2.00
- Drinks \$2.00
- Tea and coffee

I believe it's time for **all** small purchase in the canteen to be paid for as you go on the day.

Coming Events

- Wednesday 26th January 2022 Australia day holiday
- Sunday 13th February 2022 Glider rally
- Saturday 19th February KAMS general meeting.

Secretary Report

Correspondence in:

- Nigel M – Assistance of flyers names to assist in the display day across the modelling disciplines.

Correspondence out:

- All Members – Closure of flying field for extended maintenance.
- All members – 2022 KAMS calendar.

Safety Officer Report

- Advice to the meeting about an incident involving gliding/ Winching and power operations.
- Resolved by discussion.
- Please apply the KAMS bylaws for correct operations.

Field Manager Report

- It was raised at the meeting that the drains need clearing out before the winter rains.
 - Crickets

General Business

- President comments
 - Encouraging members to respect each other, civil discussion etc.
 - Identified a bit of a lively period of non constructive activity.
- Sealing of entrance road and car park.
 - Further general discussion about suggested requirements.
 - Committee encouraged to go out and get some costing towards the project.
- Canteen

- The president expressed concern to the meeting about the inbound flow of money from the canteen.
- The club allows a very liberal policy on the opening of the club canteen.
- Please remember to pay for **ALL** purchases.
- Tea and coffee is **NOT** free after all.
- Noise measurements.
 - President informed the meeting that some noise measurements will commence on selected models.
 - The purpose of this is firstly to collect data.
- Bylaws
 - The president encouraged the general meeting i.e. KAMS members to read the clubs bylaws and adhere to them.
 - They are located on the KAMS web site.
- Containers.
 - Next phase of containers happening.
 - Installation of power
 - Discussion on safety aspects of this installation.
 - External switch to remove power if required.
 - One unit is now rented out till end of June. Further expressions of interest are called for.
- KAMS incoming power line.
 - There is a branch close to the incoming power line at the KAMS entrance.
 - Requires a volunteer to remove preferably before it brings down our power feed.
